THESE PEOPLE

Pastor Andy Yawson

It was such an intense moment after the drama ministration Pastor Andy preached a succinct message; He took His text from the book of Luke:39-43; When Jesus Christ hanged on the cross, He had one criminal on each side of Him. One of them taunted Jesus while the other criminal rebuked Him saying; that while they were receiving the just reward for their crimes, Jesus was innocent. He then turned to Jesus and told Him to remember him when He came into His Kingdom.

Going further, he said that because the man who spoke to Jesus was a criminal, people around may have told Jesus that if He knew the things he'd done, Jesus will not be talking to him. Sometimes in life when we make the wrong decisions people may give up on us and the world condemns us, but Jesus told the criminal; "...today you'll be with me in paradise". If a convicted criminal can make it to heaven at the last minute, there is hope for them, Pastor said. If Jesus could do that for the criminal, He could do the same for them. If you reach out to Jesus Christ, He's able to take the mess and swap it with an excellent Spirit.

He proceeded to make an altar call. He said there were a number of people present who needed to make a decision for Christ, and that Jesus is ready to forgive them as long as they're ready to reach out, when the excellent Spirit from God comes into them, nothing will hold them in bondage. God is ready to turn their situations around.

What Every Kingdom Needs

Bishop Tudor Bismark

Increased Earnings

Bishop Tudor Bismark for his second message of IGOC began reading from The Book of Acts 7:9-10, Genesis 41:1 and Daniel 2:1. Joseph and Daniel were God-fearing men living in empires and we need to follow their strategy in our present world.

He continued by saying every kingdom, church, family or business needs various types of people. These include, interpreters, prison wardens, bakers, butlers, stewards, cup-bearers, builders, advisors, garment makers, transportation, soldiers and merchants. Joseph had spiritual roots and his branches extended all over the world. We need to be like Joseph and extend our branches all over the world. To this we need to deal with all the problems that may hinder us.

Some problems that hinder us from emerging are lack of leadership, vision, financial understanding, order, gifts or competence, faith, prophetic dimension,and lack of generational planning.

Bishop then continued by explaining the anatomy of the church. He said when God made Adam, He made the human body to be a model for everything. The head represents leadership and corporate government, the heart; sales and distribution, lungs and respiratory system; marketing, genitalia; entrepreneurship, blood; cash flow, arms; offerings, product or service, legs; finance and finance control, skeleton; infrastructure. In order to go to the next level, we need to have the right kind of ministries and structures to get people into the Kingdom of God. This model is useful for getting the right people and structures.

Bishop concluded by prophetically declaring to us; "you are coming out of prison and a new door is being opened". He ended by saying "God is about to make someone rich today" and we all received this anointed prophetic Word.

DIMENSIONS, ATMOSPHERES AND CLIMATE

Bishop Tudor Bismark

Bishop Tudor Bismark took his message from Psalm 89:15 and Revelations 1:10. He explained that John was in the 7th day when he turned around looking into the 6th day.

The tabernacle of Moses made up of the outer court, the Holy Place and the Holy of holies. The ark of the covenant was where John was standing on the 7th day and when he turned around to the 6th day, he saw the candlestick within the Holiest of holies.We want to be like John in the holiest of holies. The church collectively around the world want to go from the outer court into the holy place, we don't want to play in shallow water any more we don't want milk any more, we want the meat of the Word.

Bishop explained further that, God made man out of the depth of the ground, He started by working on the skeletal system structure first, and then building the man with the head first. Jesus is the Head and controls the whole body which is His Church. We need to lift Christ up just as God lifted Adam from the earth. When we lift up Christ, what's in the earth comes to us.

When John saw Jesus on the Lord's day he saw an era that was going to release the power of God in the earth. Bishop stated we're in that era where we're able to do all things through Christ and concluded by declaring, the church around the world has entered into the power of the Kingdom of God where there will be an outpouring of Gods Spirit and His blessing!

Excellence in All Things

Pastor Dipo Oluyomi

Daniel 5:12

Pastor Dipo started the message by reminding us that we need to take our responsibilities as christians seriously. Daniel had an excellent spirit and people who didn't like him admitted as much. Daniel's example must be evident in our lives so that unbelievers can see the spirit of excellence in us.

God is the source of all excellency. We belong to God and we must be excellent like God. Pastor continued encouraging us to be excellent by saying; 'excellence is not so much what you do, but who you are! We need to renew our minds with the Word of God constantly so excellence becomes who we are! Pastor also warned us to watch our speech as this is one of the main ways of knowing how excellent someone's spirit is. If you want a good life, you need to keep your lips from speaking wrong. Pastor concluded by encouraging us; 'speak things that glorify God and God will turn your life around!'

OVERCOMING THE CHALLENGE OF LAST MINUTE FAILURE

By Pastor Matthew Ashimolowo

As Pastor Matthew stood before the altar he declared; "it is not about starting but finishing well, the people who where brought out of Egypt could not enter the promise land but you will cross the line". He continued, 'any Satanic line that has come from your fathers house; TONIGHT you cross!' There are things that tend to stop your success just as it's about to happen. Last minute failures are from satanic effort wasters. This spirit fights people vehemently to hinder their breakthroughs.

Pastor Matthew continued, "better is the end of a matter than the beginning of it". God is the Alpha and the Omega, He is the author and the finisher, it is His plan for you to have success, His intention for you is to finish everything that you start, break barriers that the enemy has placed in your life and your mind. You are a barrier breaker!

As the congregation sang victoriously, I am a line crosser, I am a barrier breaker, Pastor Matthew opened the healing service calling out those that God had laid on his heart for deliverence.

Concluding Pastor spoke prophectically, stating what the Lord had shown him: God is tearing off satanic rags in your life!

Any Satanic cloud that was over your life, God has blown away. You will no longer be contained! Angels shall wipe your tears away and your test shall be your testimony.

Doors that have been shut against the enemy have been sealed by God.

The Battle of Containment

Dr Creflo Dollar

As Dr. Creflo Dollar stood before thousands, he declared; "I am honoured to be here, KICC has an anointing of barrier breaking and it's troubling the devil". Reading from John 8:31-32 he continued, satan is waging a battle of containment against the body of Christ, he has no problem with the unsaved but when it comes to the believer, he knows that you will give back something and you will be a blessing. He defined containment as developing only to a certain point, being stopped, held back by the tactics that the enemy uses of ignorance, distraction and deception to contain you.

The Grace of God that you started out with is not the Grace you should end with. Dr. Dollar spoke with passion saying, in the earlier scripture we read that the truth shall make you free, but the truth has never made anyone free. Highlighting further he said a man struggling with a weight issue, knowing what to do but eating a hamburger in one hand and doing weights in the other, is not free, he is contained. At this point Dr. Dollar asked everyone to confess "I will never be contained another day in my life, and the walls of containment are no more".

It is when you know the truth and use it in your daily life that the walls of containment will not hold you, but you have to be consistent, as consistency is the key to breakthrough. However, satan will wait to see if you will break from being consistent. Be disciplined, learn to take the principles of the truth you know and be active with it in your life.

You could hear a pin drop at this point and Dr Dollar continued, 'I got you now'; you need to read the Word, study it daily to get breakthroughs. In Matthew 12:29 the Pharisees were in the midst of slander, but we are told that we have authority because we are authorised by God, when we speak to mountains they move and things happen. God has given us dominion 'and I believe' said Dr Dollar, that in these last days there is an outpouring of the Spirit of God and we should be letting the world know that God is alive and working in us..
